A New Calvary Church Ministry  
Assisting People Who Are  
Seeking Employment

Calvary's new ministry for those seeking employment is expanding because of the great need in our community. This is an invitation for you to consider becoming a volunteer teammate of the Employment Resource Service ministry. You will be equipped with 20 hours of training, and given the opportunity to offer Christ-like love and encouragement, plus real life career guidance and coaching, to people in our congregation who are desperately seeking employment.

Please contact Regina Scovill  
([rscovill@cc.mi.org](mailto:rscovill@cc.mi.org)) at ext. 3672 to  
request an application or if you  
have any questions.
